

**H**ave you ever felt like there is another person living within you? Someone who is more intelligent, wise, warm, and self-assured? Do you wonder why you were born and long to have all your questions about life answered in simple, understandable explanations?

In this book you will find the inspiration and encouragement to look beyond your mere conscious awareness, which has been so influenced by surface appearances, and peer within yourself to discover what has always been the truer you. This could be your moment, your now, as a dawning of a new era is upon the planet for a mass awakening to whom we really are and what we came here to do. Within these pages may be the very nudges you need to stir awake from the dream and discover the dream was the reality all along.

*Patricia L. Allen is a self-made author. Through a lifetime of personal and spiritual research, applications, and experiences, she has reached a pinnacle of discovery of what her real mission is about. At age fifty-eight, a dawning of direction led her to begin writing this book with a relentless passion to share her accumulated treasures from a life of determination—to remember whom she really is and what she came here to do.*
